Vice-Chancellor, University of Nairobi

## NEW STUDENTS, CLASS OF 2020-2021

As regards admission of new students, the VC said he will be communicating shortly on when the institution shall receive the class of 2020-21.

“Admissions of new students is also continuous using our rolling admission system online please visit <http://applications.uonbi.ac.ke> and apply,” he said.

Kiama said that the senate recently approved what is internationally referred to as Dual/Joint degrees in order to enhance the quality of their collaboration and boost Internalization of faculty.

*“Our students will now have the opportunity to pursue Dual Degree Programmes, or simply put; students can now pursue a programme designed & delivered by two or more partner institutions after fulfilling the requirements of all the universities provided in the applicable agreement,”* he said.
